

TASTING NOTES

2020 Tempranillo

Colour: Deep purple

Nose: The nose is a beautiful balance between fruit and spice. Primary fruit and floral notes lead the nose; blackberry, damson plum, and lavender. Followed by intense cloves, vanilla, nutmeg and cinnamon spice.

Palate: A full bodied palate, complex and balanced; liquorice and black cherries with drying firm fine and grippy tannin.

Personal note: Love love this complexity!

TASTING NOTES

2020 Shiraz

Colour: Deep ruby

Nose: Lifted fruit of plum, fig and mulberry take the lead on the nose with tones of blue fruit, black pepper and chocolate.

Palate: A richly textured palate with complexity and structure. Notes of star anise, rosemary and blackberries with traces of earth and eucalyptus. The tannins are soft, round and long lasting.

Personal note: The vineyard can be seen in this glass. Beautiful!

TASTING NOTES
